Glimpse of the Morning Assembly

Morning Assembly is the time for a gathering and sharing of thoughts , starting the day with a quiet reflection.

We believe School morning assembly is an integral part of a student life as it inculcates patience , self esteem, team spirit and patriotism. This week, students of class X-A showcased their enthusiasm and hosted the morning assembly on the theme '***Believe you can and you are halfway there***'. The students participated with great zeal to imbibe the value of self esteem and importance of embracing and polishing one's hidden potentials. Students also prayed to almighty for bringing transformation from meeting virtually to the real life gathering, hoping to normalise the life soon, followed by taking the national pledge and presented the thought of the day. The audience were updated about national and international issues by reading important news. They voiced their opinion on the theme through a motivational speech, a short inspirational storytelling about the invention of the airplane and a poem. a performance on the song ' Dil hai Chota sa Choti si Asha ' was appreciated by all. Words of wisdom shared by Senior coordinator ma'am inspired all. At last, the students sang the national anthem with pride and joy!

The strongest factor for success is self-esteem: Believing you can do it, believing you deserve it and believing you'll get it.
