“If you believe the phrase “you are what we think”, then life truly stems from your thoughts. But we cannot rely purely on thoughts; we must translate thoughts into words and eventually into actions in order to manifest our intentions.”

Dr. Carmen Harra

Morning assembly in the school gives a cool and calm start to the otherwise hectic schedule of the day. The most important thing is that the assembly imparts a clear sense of vision that there are moments of peace, even if the day seems like there is too much on our plates.

The students of grade IX B conducted their class assembly on June 29, 2021 on the theme “The secret of getting ahead is getting started.”

The assembly started with the chanting of Gayatri Mantra, which firmly establishes and stabilizes our mind, followed with the school prayer “Hey Sharde maa...”

With the aim of instilling positive energy, an inspirational thought was shared.

To remind our duties towards our nation, learners were asked to say the pledge. Poetry of words is the rhythmical Creation of Beauty and it was very well recited by the learners. The song and story was very well organized and executed by the learners. The assembly was concluded with the words of wisdom by the Sr. Coordinator, followed by the National Anthem.
