The most important thing is that the assembly imparts a clear sense of vision that there are moments of peace, even if the day seems like there is too much on our plates.</b>	

The students of grade XII B conducted their class assembly on April 20, 2021 on the theme “The Importance of Perseverance is to Achieve Goals”.

The assembly commenced with the Gayatri Mantra which firmly establishes and stabilize our minds, followed with school song “Itni Shakti hume dena data..”.An inspirational story on combating failure was shared through a video.

Students exhibited the thought with a story and poem.  
Later, VICE PRINCIPAL MA'AM addressed the students and urged them to take care in this pandemic.  
The assembly was concluded with the National Anthem.
