can do great things. But  
we can do small things  
with great love.”**

**~Mother Teresa**

**Morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. It aids community participation as well as hones the skills of children on account of healthy competitive spirit between different groups. Probably it's the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds.**

**Keeping up with the same the students of class IX C conducted their class assembly on 6<sup>th</sup> July 2021. The topic of the assembly was 'Not all of us can do great things but we all can do small things with great love'.**

**The assembly commenced with the Gayatri Mantra & Morning Prayer which is believed to provide peace and serenity to our mind body and soul followed by Pledge, thought of the day and news headlines. The students presented mesmerizing Video performances of doing small things and showing their great love and gesture towards family and parents. It was absolutely delightful to watch all of them taking tiny but such important steps that influenced everyone so strongly. Really impelling !**

**The Senior Coordinator, addressed the gathering and motivated the students. The assembly culminated with the rendition of the National Anthem.**
