“A dream doesn’t become reality through magic; it takes sweat, determination and hardwork.” – Colin Powell

Morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. It aids community participation as well as hones the skills of children on account of healthy competitive spirit between different groups. Probably it’s the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds. Keeping up with the same, the students of class VII C conducted their class assembly on August 31, 2021 on the theme **“Self-discipline is the best discipline”**.

The assembly commenced with the Morning Prayer which provided great peace and serenity to our minds and souls followed by Gayatri Mantra and poignant speech & poem on the topic ‘Importance of Self-discipline’. The Middle Wing Coordinator addressed the gathering and motivated the students with her encouraging words. The assembly culminated with the rendition of the National Anthem.
