Morning Assembly is a perfect way to begin a new day with new hopes and newer aspirations!

The morning assembly strives to ignite and discover the latent talent in each child. Students of class XI-B showcased a captivating assembly programme themed on 'Your Character speaks louder than your words.' The assembly commenced with a devotion followed by the thought of the day which captured the essence of the day *'Knowledge will give you power, but character respect.'* This was followed by a song and a video presentation encapsulating the empowering effects of values, development of character, strengths and wellbeing, contributing to a variety of positive life outcomes. The School Vice Principal, in her address, urged the students to develop good Character through protracted and persistent efforts, reiterating the eternal truth that "Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, ambition inspired and success achieved.."

The assembly culminated befittingly with the national anthem.
