## **GURUPURAB CELEBRATION**

“There is but one God. True is His Name, creative His personality and immortal His form. He is without fear sans enmity, unborn and self-illuminated. By the Guru’s grace He is obtained”. - Guru Nanak Dev Ji

Keeping with the secular ethos of the school, students of class VIII, MBS International School, Dwarka, New Delhi, celebrated Virtual Gurpurab Assembly, one of the auspicious religious festivals in Sikhism, on Tuesday, November 16, 2021.

The Special Assembly on Gurpurab commenced with the Sikh prayer. The students apprised the audience about Guru Nanak Dev Ji’s teachings through speech. The importance of Gurpurab and various rituals associated with the festival was clearly elucidated by the students. Shabad, a hymn from the Holy Text that appears in Guru Granth Sahib was presented by one of the students of grade VIII. On the occasion of Gurupurab, the assembly concluded with the teachings from Guru Granth Sahib. The message of love and peace spread by him was also explained.

The Head Mistress of Middle Wing, Ms. Deepika Bhutani conveyed her warm wishes to the students and their families. She threw light on the teachings and contribution of Guru Nanak Dev Ji towards social reforms and motivated the students to follow the path of our Gurus, who taught us to be humane and pure.
