**Mr. Atul Wadhawan**

## **ASSEMBLY REPORT**

### **'Parayavaran Ki Raksha Dharti Ki Suraksha'**

Morning assembly is an integral part of the school's schedule. It serves as a platform to develop self confidence, acquiring knowledge and information, creativity and aesthetic sense among students.

Through online platform also, it is important to keep reminding the students about the benefit of inculcating the habit of reading which helps in the development of critical thinking skills. The students of Grade VII A had organised an assembly on the topic "Parayavaran Ki Raksha, Dharti Ki Suraksha" on Nov 9, 2021. The assembly started with the beautiful thought "Environment is not no one's property to destroy, it's everyone's responsibility to protect."

The assembly had performances like poem recitation, speech, presentation, etc. All the events were organised keeping in mind the variety of skills that are required for the holistic development of the student. It inspired the students to plant trees and save the environment. The assembly concluded with the National Anthem awakening patriotism among all the students.
