Assembly Report

‘Respect for ourselves guides our morals, respect for others guides our manners’

“Respect comes in two unchangeable steps: giving it and receiving it. -Edmond Mbiaka”

The morning sets the day and the assembly paves the way for our students to rejuvenate their spirits, remain rooted to the moral values and unleash their vitality. It gives a sense of pride to students as they get the best opportunity to display their hidden talents. The focus is to acknowledge and motivate students to be an active participant of the school family. Keeping up with the same the students of class VI B conducted their class assembly on 14th December, 2021. The topic of the assembly was ‘Respect for ourselves guides our morals, respect for others guides our manners’

The assembly commenced with the Gayatri Mantra followed by the thought of the day. The students put light on the topic stating that being respected by important people in our lives teaches us how to be respectful toward others. Respect means that you accept somebody for who they are, even when they're different from you or you don't agree with them. Respect in your relationships builds feelings of trust, safety, and wellbeing. The assembly continued with performances like poem recitation and speech based on the same theme. It was delightful to watch all of them pouring their hearts out, thus emphasizing on the importance of ‘Respect for ourselves guides our morals, respect for others guides our manners.’

The headmistress addressed the assembly motivating and encouraging the students with inspirational words. The assembly culminated with the rendition of the National Anthem awakening the spirit of patriotism amongst all.
