Morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. It aids community participation as well as hones the skills of children on account of healthy competitive spirit between different groups. Probably it's the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds. Keeping up with the same the students of class 9 A conducted their class assembly on 19 July 2022. The topic of the assembly was "Pie Approx. Day" The assembly commenced with the Gayatri Mantra which is believed to provide peace and serenity to our minds and souls, followed with the school prayer "We shall overcome."

With the aim of instilling positive energy, an inspirational thought was shared. To remind our duties towards our nation, learners were asked to say the pledge. Also, students read the important news to keep everyone updated with the current happenings in and around the world. The assembly was concluded with the words of wisdom by Vice Principal ma'am, followed by the National Anthem.
