Morning Assembly is the time for a gathering and sharing of thoughts, starting the day with a quiet reflection.

A morning assembly is an open-air meeting of the whole school at a single place. Assembly inculcates patience, self esteem, team spirit and patriotism among students. This week students of class X-B showed their enthusiasm and hosted the morning assembly on the theme “A winner is a dreamer who never gives up”. The students participated in the morning assembly with great zeal to imbibe the value of self esteem and importance of embracing and polishing one’s hidden potentials. Students started with offering prayers to God followed by taking the national pledge and presented the thought of the day. Then Students updated everyone about national and international issues by reading important news. Then students kept their thoughts on the theme through a motivational speech, a short inspirational storytelling comparing the life of bamboo and fern plant. One student sang beautiful song related to the theme. This was followed by encouraging and inspirational words of Principal Sir. At last, the assembly culminated befittingly with the national anthem.
