***Morning Assembly has been the age old culture of each and every school in our country which instils a sense of much needed tranquility among the students in the bright mornings.***

Morning assembly inculcates patience, self esteem, team spirit and patriotism among students. This week, students of class VIII-A showed their enthusiasm and hosted the morning assembly on the theme "National Girl Child's Day". The students participated in the morning assembly with great zeal to imbibe the value of hardwork and importance of embracing and polishing one's hidden potentials. Students started with offering prayers to God followed by taking the national pledge and presented the thought of the day. Then Students updated everyone about national and international issues by reading the important news. Then students kept their thoughts regarding the theme by delivering a passionate, creative and insightful speech. A captivating skit was also presented before the audience which was then followed by encouraging and inspirational words of the vice principal mam. At last, the assembly culminated befittingly with the national anthem.
