More than 1,60,000 students miss school everyday because of the fear of being bullied. Keeping this view in mind, MBS International School organized a workshop on the topic “ANTI-BULLYING” for students of classes IV & V on 2nd May’2018. The main aim of the workshop was to make the students aware about the types of bullying that can take place, its harmful effects and the ways to minimize it. Through the talk and the video students were sensitized about the harmful consequences of bullying and were encouraged to stop bullying and report it to the school authority.
