

MBS INTERNATIONAL SCHOOL

WORKSHOP FOR STUDENTS

SESSION 2018-19

TOPIC : SPACE EDUCATION
DATE : NOVEMBER 27, 2018
ATTENDED BY : GRADE IX-XII
VENUE : AUDITORIUM
RESOURCE PERSON: Mr. ALEXANDAR VYSOTSKY

MBS International School takes pride in providing umpteen opportunities to students with the aim to hone their scientific and technological prowess. The school organized a talk on 'The Future in Space Education' for the students of Grade IX-XII on November 27, 2018. The speaker, Alexander Vysotsky, Chairman and Managing Director of International School of Space Education, Moscow briefed the students about Russian Space Program and prospects of higher education abroad. He enlightened them on concept- TRIZ, and also apprised them about the uniqueness of Russian culture and its ancient history. The workshop was educative and very informative indeed !
