

MBS INTERNATIONAL SCHOOL

WORKSHOP FOR STUDENTS

SESSION 2017-18

TOPIC: HIGHER EDUCATION IN U.S.A.

DATE: NOVEMBER 7, 2017

GRADE: XI & XII

**CONDUCTED BY: Ms. ELIZABETH AND Mr. MICHAEL,
TRUMAN STATE COMMUNITY
COLLEGE, U.S.A.**

A workshop was conducted on the topic 'Education possibilities in USA' for the students of classes XI and XII on November 7, 2017 in the school auditorium. The aim of this workshop was to enlighten students about the various educational opportunities after high school in the United States of America.

The workshop was conducted by Miss Pooja, Director of School Relations, who gave the students an overview of higher education in the USA. The session was taken further by Miss Elizabeth Tyrell representing Evergreen Valley College, San Jose, California.

Miss. Elizabeth spoke on the International Program and benefits of studying in the USA. She explained the students about the concept of Community College. Mr. Michael Cumming, representing the Truman State University in Missouri, spoke about State University in the USA. He talked about the nature of courses available and explained the concept of 'Hands on Learning'. The students were asked to gain clarity on the concept of higher education and encouraged to ask questions related to their career goals.

It was an informative workshop and students took part enthusiastically.
