DATE: 21 OCTOBER 2019

ATTENDED BY: STUDENTS OF CLASS X AND XII

VENUE: AUDITORIUM, MBS INTERNATIONAL SCHOOL, DWARKA

RESOURCE PERSON: MS. SUNITA MALTANI

Study smarter, not harder! Good study skills can increase confidence, competence and self esteem. The MBS International School conducted a workshop on 'Smart study skills' for the students of class X and XII on 21st October 2019. The resource person Ms. Sunita Maltani explained an array of skills which boosts a person's ability to study, retain and recall information. She described various techniques to become successful learners. The whole session was quite enriching as students learnt about various strategies like how to take notes from text, time management, mnemonics and flow charts.
