In addition , the event urged the students to be resolute and unwavering in the fight against bullying. Ergo , it was a successful event.

How does the person being **BULLIED** feel?

The person being bullied feels that he or she can do nothing to stop it because:

· He or she might feel smaller or weaker than the bully.

He or she might feel outnumbered by the bully and the bully's friends.

He or she often feels very sad, but does not know how to change the situation.

· He or she might feel there is no help:

- No one to talk to.

- No one is standing up for him or her.

Bullies can be BOYS or GIRLS!!!
