**RESOURCE PERSON: Mr. Sushant P Mysorekar,CEO,
Brain Rhyme Pvt Ltd. And Mr. Manu Faujdar, Petrain
Founder of Scientific Educational Research Organization**

"Education has many tasks, widening the minds, enlarging its interests and teaching the techniques in which the modern civilization is based."

In the wake of technological advancements, it becomes imperative to keep pace with the gradually transforming pedagogical tools of learning. MBS International School believes in espousing the empowerment of students with the latest technological advancements and partnered with Brain Rhyme to imbue in them innovative research techniques to make their learning impactful.

A Research and Innovation workshop was organized for students of Classes X and XII on November 20,2021.The resource persons, Mr. Sushant P Mysorekar,CEO, Brain Rhyme Pvt Ltd. And Mr. Manu Faujdar, Petrain Founder of Scientific Educational Research Organization, apprised the students significant ways to amalgamate technology with education as they engaged the participants in the process of learning, research, educating, mentoring and coaching them by imparting various tools, systems & techniques for their 'better tomorrow'.

The Brain training program helped the learners to 'Learn, Understand, grasp, practice and rely on their Super Computer (BRAIN) to achieve what they desired to accomplish !'

An Innovative-learning indeed!
