Courage is fire and bullying is the smoke.

-Benjamin Disraeli

MBS international school conducted a workshop for all the sections of class 6 on **30th August, 2022**. The splendid initiative was taken up to help the students confront the stumbling block that inhibits their growth- Bullying.

In this workshop, a PowerPoint presentation was shown to convey this message. Students were guided to be good classmates to each other.

- Stop using an excess of social media without parents' knowledge as it can lead to distraction from studies & make them land into Bullying.
- How to concentrate more on studies & health & try to help each other to become Good & Responsible Citizens of India.
