“Consciousness is only possible through change; change is only possible through movement.”

A workshop was conducted by team Pratham to make students aware of the multiple career options in the humanities stream and various vocational courses they can opt for after class XII. They addressed all the questions raised by students related to the humanities stream.

It was an interactive session, where the students could participate and speak the answer. The students had various queries regarding different kinds of problems which were adeptly answered by the resource person. It was a session to which the students looked forward and were happy to attend.
