TOPIC: MENTAL HEALTH OF CHILDREN

DATE: 05 NOVEMBER 2019

ATTENDED BY: TEACHERS OF MBS INTERNATIONAL SCHOOL

VENUE: AUDITORIUM, MBS INTERNATIONAL SCHOOL, DWARKA

RESOURCE PERSON: MR. PRABHJEET SINGH

A child's mental health is more important than his grades. Mental Health awareness is an important issue for all educators. There is a great deal that can be done to help the students with mental health issues. The MBS International School conducted a workshop on 'Mental Health of Children' for its teachers. The resource person, Mr. Prabhjeet Singh who is a registered Counselor in Ministry of Labour and Employment, Government of India explained some early signs of mental health issues that can be assessed among children by the teachers as early intervention can result in more positive outcomes for these students. The motive of this session was to promote healthy social, emotional and behavioural development of students and break down the barriers to learning so that the general well being of these children can be enhanced.
