#### **Glimpse of the Event**

***“Do anything, but let it produce joy.” - Walt Whitman***

**MBS International School organised - Blow the Balloon Activity on *August 5, 2022*.**

The sole purpose of this activity was to have joyful time. Students enjoyed this healthy competition of blowing the balloon. As this was an Inter House Competition so the students were encouraging their housemates to do it quickly than others. They were cheering and enjoying this fun filled activity. The purpose was achieved when we saw the zest of participation, blaring for their mates and looking at the smile on their faces while doing this activity. Three winners were selected from each section and were appreciated by the teachers.

Olympics.
