Inter – House Open the Knots

SESSION 2022-23

TOPIC : Open the Knots Inter House Activity
DATE : August 5 , 2022
ATTENDED BY : Classes I, II & III
INCHARGE : Ms. Pooja

Glimpse of the Event

Students don't realize that they are building essential skills when they are playing and exploring!

MBS International School organized Inter House Sports Competition "Open the Knot" on August 5, 2022 for the students of Grade I, II and III. This joyous activity helped the students develop fine motor skills. As children improve their fine motor skills, they develop their independence in doing a range of tasks. While they tugged and pulled the knots, they used the skills such as eye-hand coordination to pull at the correct place in the knot in order to untie. The amusement and laughter of the students was the proof of the joy and fun they experienced during the activity. Three winners were selected from each section and were appreciated by the teachers.
