**Glimpse of the Event**

The corners in homes have become important focus areas, when it comes to designing and decorating interiors. There are countless ways to decorate the corners of your home with innovative corner design ideas. With creative corner decor ideas, you can enhance the look of the house.

MBS International School organized Inter-house Design Your Corner Competition on 4<sup>th</sup> November, 2022 for the students of Grade –VI & VII. The event witnessed enthusiastic preparation, creativity and participation.

The students had to choose a theme for designing the corners assigned to them. Then they had to use various home decors and arrange them all in an appealing manner to adorn their corners.
