Glimpse of the Event

“Dancing is creating a sculpture that is visible only for a moment.”

Inter-House Folk Dance Competition was organised at MBS International School in auditorium on 21 October 2022, Friday. The competition was among all the four houses Vivekananda, Tagore, Teresa and Curie. A group dance was performed by the participants. The objectives behind this event were to provide opportunity for students to showcase their talents and creativity and also to learn about various folk cultures.

The students enlighten the morning by showing their outstanding talent. And the most considerable thing was that the result was also announced at the same time. The first position was secured by TERESA, who stole the hearts of the audience with their thrilling performance, second position was secured by CURIE and third position was taken away by TAGORE. It wouldn't have been a great event without the words of Principal Sir. Principal Sir encouraged and congratulated the winners for their outstanding performance. And the event had a mesmerizing ending by clicking of the photographs of participants with Principal Sir.

It was a memorable event indeed!
