Glimpse of the Event

“You don’t win a debate by suppressing discussion; you win it with a better argument.”

Debate is one of the academic activities that give students creative room to express what they feel. The length and breadth of knowledge that they gain through this is simply unparalleled.

MBS International School organised an **Inter-House Debate Competition** on **November 16, and November 18, 2022** respectively. The aim of the competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The speakers of Grades IV & V of all four houses spoke eloquently on the topic “**Social Networking Boon or Bane**”. The session was a kaleidoscope of opinions, thoughts, ideas and perspectives that definitely enhanced the knowledge and understanding of the topic among students. They exhibited great oratory skill. The competition was an enthralling experience for the speakers as well as the audience.
