

St. Mary's School, Dwarka
Holiday Homework
Class XII
Subject- Geography
Week 1
Worksheet 1

The Holiday homework has been divided into 3 section

- 1. Project**
- 2. Assignment**
- 3. Practical File**

***You are required to submit your project and assignment holiday homework online.**

1. Project

Prepare a PPT or write a report about the primitive societies which live in complete harmony with their natural environment. Show their region of habitat through maps. Give a detail account of their economic livelihood.

2. Project

“Virtual vacation during this Pandemic”

Students to use computer skills to research a vacation location analysing the climatic conditions, soil type, flora and fauna, resources, lifestyle based on climate,, figuring their coordinates and calculating the time zone from IST, the type of economy, it's world position in the HDI, population growth and density. Include natural and cultural factors to prepare a 5-minute journey to this place of your choice.

*Each student to prepare a video about their desired vacation location including all the points mentioned above. Include maps, pictures in your presentation. Presentation not to be more than 5 minutes.

3. Practical file

Complete the portion covered for the practical as instructed during the online class.
