“A father’s goodness is higher than the mountain, a mother’s goodness deeper than the sea.” - Japanese Proverb

Parents’ Day celebrates the important role that parents play in their children’s lives and recognizes the enduring love and devotion of new parents. Parents and families are a shared responsibility. Together they can help children grow up to become a better person and build a more solid foundation for their future.

Air Force School, Camero celebrated Parents day and conducted an awareness drive “Respect your Parents” in the month of July.

Students were told about the importance of parents in one’s life and how the parents bring up their children to become good human beings. Various activities were organised to celebrate the day and make our students aware about the respect and care that their parents deserve and they desire.
