The school reopened after summer vacation on 20 June,so a movie show was planned for the students to entertain them and make them comfortable at school after a long break from the school routine. A Disney Bambi Cartoon was shown to them in the AV Room classwise.

This is a famous cartoon series by Walt Disney. The story starts with the birth of a fawn called Bambi...It's spring, and all the animals of the forest are excited by the forest's latest birth, a fawn his mother has named Bambi. The animals are more excited than usual as Bambi's lineage means he will inherit the title of prince of the forest.

Along with his mother, Bambi navigates through life with the help of his friends, Thumper, a bunny, and Flower, a skunk kit who likes his name.

The students enjoyed the movie very much.
