

ITL PUBLIC SCHOOL ORGANISES CAREER FAIR

Career Fair was organized by **ITL Public School** on **6th April 2016**. The **Global University Fair** – a career and education fair in collaboration with **ICAE** – International Centre for Advancement in Education, an organization solely devoted to providing guidance and support to students and educational institution. Their predefined objectives was to provide enhancement in educational system and child wellbeing.

Among the famous universities which put up the career stalls were – **St. Gerge's University, SI UK Education Council, ISTITUTO Marangoni, Ashoka University, University of Victoria, University of Ottawa and Laureate Design Universities**. With information on international forum, the students were sensitized on the procedures involved in applying in foreign universities, the related intricacies and smart solutions to it. Students were advised / suggested universities as per their academic background. With so many avenues in the offing, the career fair was the potent platform for students to carve their line of thought and weigh the possibilities.

The event organized under the patronage of the school Principal, **Ms. Sudha Acharya** was a grand success and was highly acknowledged and appreciated by all. When such measures are taken, academic competitive will certainly take a quantum leap for young minds to fulfill their aspiration.
