

ITL CELEBRATES HUMAN RIGHTS WEEK

ITL Public school conducted a wide range of activities for classes I – XI that focused on the **United Nations 17 Smart Goals for Sustainable Development** to impart fundamental values of human dignity and inclusive growth.

The plethora of activities included **wreath of Rights and Duties, Declamation on Importance of Peace in World, Debates on What come first: Rights or Duties?** These activities sensitized the students on the importance of various Human Rights.

Where students of Classes VI – VIII showed their creative skills, **with Logo Designing, Collage Making and Scrap Book** on global phenomena of **poverty, health, climate action, gender equality and most importantly – Peace for All**, class IX put up a **Puppet Show** with the theme “**Inclusive Education**”. Handmade puppets recreated relatable situations and incidents on – *one for all and all for one*, which promoted the goal of inclusive education with regard to solutions, approaches to deal with the problems that concern all.

Symposium on- Partnerships for the Goals, included case based study on *Guantanamo Bay* scenarios and grave human rights violations which blatantly ignores action that violates human rights.

Keeping in mind the impact of audio -visual aid **class XI** took part in **Panel Discussion** on the theme – *Cast and Social Relation*. The screening of a movie ‘**Fandry**’ drew attention to the fact that even today we are shackled in chains of casteism and all we need is to treat each one with love and respect.

Ms. Sudha Acharya, Principal, ITL Public School, congratulated the students for their conscious efforts in contributing towards understanding and working towards sustainable goals.
