

Report on Basketball Workshop

Date: 2 December 2016

Venue: School Ground

Organized by: Department of Physical Education

“Champions aren’t made in the gyms. Champions are made from something deep they have inside them--- a desire, a dream and a vision.”

Sports are an integral part of one’s life. ITL Public School aims at developing a child’s persona holistically hence is encouraged to participate in all kinds of sports.

On 2 December 2016, a workshop was held for the students to promote Basketball. **Shawn Dwayne Marion**, an American professional basketball player (retired) who played 16 seasons in the National Basketball Association (NBA) visited the school and showcased few basketball moves to the students so as to enhance their skills. The school team had an opportunity to play with him that motivated the other ITLeens. **Carlos**, the ambassador of NBA in India had a warm discussion with students and taught them few drills. The session proved to be quite empowering and enjoyable and would have surely motivated and inspired them to explore their options in sports.
