ITL believes in holistic development of students, which can only come through awareness, sensitivity towards society and passionate involvement in myriad aspects of society.

ITL Management and students took a benevolent initiative to help the children of Bal Vihar by providing them with new school Bags with a logo “Beti Bachao Beti Padhao” (to promote gender equity) Books and stationary. The children were delighted to receive the gift as the new academic session is going to commence soon. The visit became more interactive and mutually rewarding with the participation of all in various activities thus making it more enjoyable.

At the end of the visit, the students were enriched with the spirit of selfless service, commitment and helping those who are not as fortunate as us and the promising of making society a better place.
