

ORIENTATION PROGRAM FOR CLASS XII

Day /Date: Saturday, March 18, 2017

Venue: School Auditorium

Attended by: Parents and Students of class XII

Organised by: ITL Public School

ITL Public School organized an orientation program on **18 March 2017** for the students who had been promoted to **class XII** and their parents. This program was organised to provide substantial and informative tips to the students on how to prepare themselves effectively for the board exams and also on the crucial role of parents to ease out the journey for their child during this very significant phase of their career.

The **School Principal Ms Sudha Acharya**, applauded the efforts of the students on being promoted to Class XII, and congratulated the meritorious students who had achieved proficiency in various subjects and also who had been accredited with overall proficiency.

She reiterated on the importance of class XII in the lives of students which shaped their career and how parents are the best support system for students. This discussion included the importance of time management, health awareness, balanced diet, trust and empathy on each other.

She also stressed on issues of peer education, positive reinforcement of values, self-appraisal as potential aids to keep oneself poised and shine out distinctly.
