

Eirene MUN Society **RISMUN 2017**

Dates : 28-29 April 2017
Venue : Ryan International School
Attended by : Students from classes X-XI

A total of 7 committees were simulated in RISMUN which included UNHRC, UNGA, UNSC, IAEA, UNSC and HISTORIC MEET OF IMF, JCC. The committees simulated had nail-biting agendas which required great analytical skills. The UNHRC dealt with "Protection of Rights of Women and Minorities in situations of declared state of emergencies and armed conflicts" whereas JCC discussed 'The Palestinian Power Struggle'.

With twelve delegates participating in different committees, the students got to learn a lot from the conference. The conference proved to be a brainstorming session for all the delegates. This conference was an enriching experience for all the delegates especially for the first-timers.
