‘Skill endows an individual with confidence and dignity to stride on the path of life with assertion and positivity’

Skill India is a campaign launched by **Prime Minister Narendra Modi** on **15 July 2015** which aims to train over 40 crore (400 million) people in India in different skills by 2022.

ITL Public School firmly believes in focussing on the **holistic development** of the child, giving every aspect of his / her intellect and spirit, room to reach its full potential through **scholastic and co- scholastic** activities, service, and leadership and thus celebrate **Skill India Program** in every academic session

.This year the **Skill India Week** was observed in the school during **17-21 July 2017** with the theme “**KAUSHAL SE KAMYABI TAK**” in the spirit of the **National Skill Development Mission** .A plethora of activities were planned during the same to develop essential qualities of **creativity, aestheticism, decision making, team work and leadership** and thereby savour the **richness, depth, beauty and grandeur of Indian traditional skills**.

The students of **class VIII** participated in ‘**Wire Basket Making Activity**’. Students utilised day to day life things likes beads, hanger and threads to make beautiful and colourful eco friendly baskets.

The students of **Class VII** got an enthralling opportunity of trying their hands on ‘**Shilpkar- Clay moulding Activity**’ and could exhibit their fine moulds in the form of a pen stand, teddy bears, flower basket, jewellery sets, caterpillars and so on

In order to enlighten the students on the beauty and grandeur of Indian tradition, students of **Class VI** attended a workshop on “**Pouch Making**” initiated by **Hindustan Times Pace**. The students were guided and instructed by the resource person **Ms. Sumita**, a skilled veteran in this field.

A workshop on **Lippan Art** –the traditional mural craft of the **Rabari** community of **Kutch, Gujarat** was organized for the students of **class IX** to acquaint them with this ancient Indian Craft. The students then prepared beautiful art pieces on wooden blocks using clay and mirrors.

The students of **Class XI** acquired the skill of doing thread work using **macramé knots**. The students attended a workshop conducted by **Ms. Sumita**. They gained hands-on experience on tying the knots

aesthetically to create beautiful pot –holders. The activity was delightful experience for the students as they indulged in making patterns in pot- holders of different sizes, thus exhibiting their authenticity and creativity.

The art pieces were displayed in a small exhibition that was greatly appreciated by the school Principal, Ms. Sudha Acharya. The week provided an extremely enriching experience as the students learnt a new art form in creating and expressing the language of their soul in variant hues of Indian culture.
