

Report on Global University Fair

Date	:	Friday/ 4 August 2017
Venue	:	Skating Rink, ITL PUBLIC SCHOOL
Conducted By	:	ITL Public School
Attended By	:	Students of Class XI & XII of ITL Public School and various guest schools

ITL Public School, in collaboration with International Centre for Advancement in Education (ICAE), organised the Global University Fair for the Senior Secondary students in the school premises. Representatives from many prestigious Universities like-

Indian School of Business & Finance

University of Ottawa, Canada

Ashoka University

NIIT University

Indian School of Art & Design

London School of Economics

Ken State University, USA

Essec Business School

and many more participated in the fair.

The information desks of these premier institutes exposed the students to a world of myriad of courses and career opportunities, facilitating them to select a course as per their potential and interest. Many schools from in and around Dwarka were invited to visit this informative Fair. The school was buzzing with excitement as the students were awed by the multitude of options available to them.

The event was a grand success and highly appreciated by all the students as it was really important for them at this critical juncture to choose a right career path, when they are on the threshold of entering college life.
