9 students of Classes VII- XII were given an opportunity to experience the Educational Trip to France. The students in groups of 2-3 stayed in one host family in Nice. They were exposed to the French culture, language and cuisine. The two hour French classes at International House, Nice paid attention to speaking, listening and writing skills of the students. It was a wonderful experience and a dream come true for most of the students. The visit to great monuments and other historical places helped students in understanding France and its history. The highlights of the visit are the famous Beachside walk pathway- Promenade des Anglais at Nice, The Red Carpet at Cannes, the Grand Prix track at Monaco, The Eiffel Tower, Louvre Museum, Versailles castle which are world famous and left our students awestruck.

Overall the ten day Educational trip was filled with knowledge and fun, the memories of which will always remain in our hearts to be cherished forever.
