

REPORT ON SKILL INDIA WEEK

DATE : 17 JULY – 21 JULY 2017
VENUE : ITL PUBLIC SCHOOL
ORGANISED BY : ITL PUBLIC SCHOOL
CONDUCTED BY : Classes I - V

Skill India is an initiative for constant updating of training programs and syllabi to ensure that the youth is exposed to latest technology and industry environment.

The new generation has to be well equipped to enter the very fast growing world. To make our children confident citizen of 21st century the week is celebrated to inculcate various soft skills among them. And so in our endeavor to acquaint our young learners with work education skills the students from classes I to V participated in Skill India Activities from 17th to 21st July.

The students of classes I and II did vegetable printing. This activity was lots of fun for little ones to try. Vegetables were used to make beautiful paintings and crafts. Kids created the veggie masterpiece under adult supervision. Their imagination transformed the plain cushions and pillow covers into the beautiful piece of art using vibrant colours.

The activity for class III was Car Danglers. Ms Sheetal was the resource person for the activity. Students used their imagination and created very interesting and innovative pieces with beads, jute thread, curtain rings, cotton balls, googli eyes.

The activity for classes IV and V was Block Printing. It aimed to develop interest and hone the talents of students in Block Printing and fabric art. The students learnt the usage of blocks for making table mats, runners, cushion covers, note book covers, tie and dye printing on scarves and stoles etc.

The trainer Ms Alka Gaba imparted skill and knowledge of Block printing in a very easy and effective way. The students got the hand on experience of Block printing and participated in the activity whole heartedly. It was a wonderful and enriching experience for every student.

The Skill India Week gave the budding entrepreneurs a rich learning experience as they had hands on experience in learning different skills and enjoyed making the articles.
