

Report on Field Survey (Village Sikri, at Greater Noida, UP)

Date: November 4 2017

Venue: Sikri Village, Greater Noida, UP

Organized by: ITL Public School

Attended by: The students of Class XII (Department of Geography)

The students of Class XII, Department of Geography, ITL Public School were taken for a field survey to Sikri village at Greater Noida as a part of their Geography practical on **Saturday November 4 2017**. During the Survey, the students opted for Observation, filling the Questionnaire and interviewing the people as techniques of Survey.

The objective was to know the land use pattern and how it is having an impact on the Socio Economic life of the people...They also learnt the skill of making questionnaires, techniques of interviewing the villagers, visiting the sites to understand how do the farmers cultivate the lands and to analyze the data and finding out the problems of that area and giving a suitable suggestive measure to deal with the problems.
