

ITL organises Orientation Programme for Class XII

An Orientation Programme for class XII was taken up by the principal, Ms Sudha Acharya at ITL premises. After having congratulated the students on their promotion to class XII, Principal ma'am addressed the students about the essentials of life which are ignored due to the constant fixation to instant gratifying means..! She highlighted upon tips on parenting strategies, impact of technology, repercussions of ever mounting impatience and influence of environment. The orientation programme focused upon pivotal areas of academic success, the need to cultivate life skills, good decision making and the ability of true self evaluation. Students were oriented towards the need for nutritional food and complete well being..!! After all a healthy mind resides in a healthy body....!!!

The session was the perfect motivation for a good start... not just with hard work but with complete passion! As rightfully said... well begun is half done.. the session was the perfect head start for the class XII batch of 2018 -19...!!
