Incorporating the famous maxim, “ *A THING WELL BEGUN IS HALF DONE*”, ITL Public School conducted an invigorating assembly at the new beginning of the session 2018-19. Commencing with an English & Hindi thought on a good beginning followed by a beautiful song ‘Naye Din Ki Shuruwat’ the choir group sang zealously. A **TED TALK** by Karman Sethi, of Class XII, on ‘**PROCRASTINATION**’ made the heads turn as he emphasized to commence a task promptly and not procrastinate or wait for the last minute. Indeed, the assembly marked the beginning of the session with lot of enthusiasm and energy.
