**Organised for :** Class XII students

**Batch size:** 75 students

**Number of Teachers :** 09

**Date:** May 21-May 26, 2018

Students of class XII of ITL Public School went for a recreational trip to Somnath, Diu and Gir Forest. The trip started on May 21, 2018, when students boarded the Rajdhani Express to Ahmedabad. The visit to the Somnath Temple at the very beginning added a pious edge to the trip. The next destination was the Ghoghla beach in Diu, where the students enjoyed the vast expanse of the awe inspiring sea. The lavish and spacious resort and the foot tapping dance were thoroughly enjoyed by everyone. The next tourist point for them were Nagua beach, INS khukri and St Francis Church bearing testimony to the rich legacy of our glorious past. The next destination was the journey to the adventurous Gir forest where everyone caught a very exciting glimpse of the mighty Indian lion in its natural habitat. While doing the safari the students had a view of animals like leopards, blue bulls, deer etc. The students had a rare experience of enjoying a welcome dance by the tribals of Africa, organized by the Resort at Gir. The team returned back on May 26 enlivened by rejuvenating experiences.
