

REPORT ON FRANCE EDUCATIONAL TRIP 2018

DATE: 17 June- 28 June 2018

PLACES VISITED: Paris, France

ORGANISED BY: ITL Public School in Collaboration with Education & Beyond India Pvt. Ltd.

CLASSES PARTICIPATED: Students of Classes VI-XI

ITL Public School in collaboration with **Education & Beyond India Pvt. Ltd.** organised an educational trip to **Paris, France** from **17 June-28 June 2018**, whereby 11 students from classes VI-XI were given the opportunity to experience the exquisite French culture. The integration of the students in the French life was completed by their stay in the French host families whereby they were privileged to get acquainted with the French culture, tradition, etiquettes & cuisines. The students were fortunate enough to attend a French School and get valuable guidance from an expert language trainer and during the classes special attention was paid to the reading, writing and speaking skills.

The students visited the historical monuments that helped them to learn about the history of France. The highlights of the trip were the visit to **Eiffel Tower**, **Notre Dame Cathedral**, **Cruise on the Seine River** on the Bateaux Mouches with audio guide, tour of the **Versailles Castle** and its world famous gardens. Visit to **Disneyland** enthused the students and they profusely enjoyed the thrilling rides and special attractions of the Disneyland comprising of amusement Park, the Louvre Museum and the Montmartre artists' locality. Lastly, a visit to the **Perfume Museum** and a visit to the biggest and most reputed shopping arcade in Paris – **the Galleries Lafayette** left the students awestruck.

The 10 days stay in the heart of France helped the students to savour the rich cultural heritage and modern lifestyle of France. The memories of the trip will always remain in their heart and will be cherished forever.....
