

AWAKENED CITIZEN PROGRAM

Date: 19 February 2016

Venue: I. T. L. Public School

Conducted by: Ms. Monika Bhardwaj and Ms. Diviya Mehra

Attended by: Students of Class VII, I.T.L. Public School.

An insightful session of the Awakened Citizen Program was organised for the students of class VII. The session organised was observed by Ms. Raktima, from Ramakrishna Mission. Highlighting the knowledge possibility, module no. 13, it emphasized about creative visionary and collective intelligence. The slides expressed various examples of eminent personalities like J. R. D. Tata, Homi J. Bhabha, etc who had a vision and even after lack of support from the society, they were determined to make their vision into a reality. The students shared their experiences and initiatives taken by them to bring a change in the society. Another important aspect to be Creative visioners was Collective intelligence. The skill of collective intelligence enhances individual's strengths of **Team work, Acceptance, Organizational and Leadership Skills**. The students actively participated in the class room discussion and shared examples of their life incidents. The students were motivated and focused to keep a positive approach in life.
