

Visit to Goonj.....ITLeens sensitized to a social cause

Day / Date : Thursday, 09 August 2018
Attended by : Students of classes IV – X
Conducted by : NYS ZEE Media
Venue : Goonj, Sarita Vihar

ITL Public School organized an educational visit for the students of **Classes IV – X** to the processing unit of **Goonj**, an **NGO** dedicated to the task of uplifting the social and financial condition of the people in Sarita Vihar.

ITLeens have always been supporting the residents of Sarita Vihar by donating clothes, books, toys etc. and hence the students are sensitized to the plight of these people. But the visit to the processing unit was indeed a unique experience as they witnessed the effective utilization of the donated things. It was an inspiring experience for the students to witness the functioning of the segregation units and the way each piece is utilized to its optimum level and how with the apparently ‘waste’ a valuable commodity for the needy was produced.

The educational visit provided a wonderful experience to the students to acquire important life skills.
