

WORLD HERITAGE ASSEMBLY

Date : 16 April 2015

Venue : Skating Rink

Conducted By : Class XII

Attended By : Classes IX – XII

“Heritage is a legacy of the past, what we live with today and what we pass to the future generation”

Realising the mammoth impact of heritage in our lives, the students of class XII of ITL Public School paid a glowing tribute to the rich heritage a Delhi city on 16 April 2015 by conducting a class assembly on the theme “YE H DILLI HAI MERI”. The assembly was attended by the students of classes IX – XII.

The programme commenced with the lighting of the auspicious lamp followed by the prayers. A motivating English and a Hindi thought highlighted the significance of heritage reminding us of the glorious heritage of our country. The anchors of the show gave valuable information about the heritage of our city. The students were proud to know that in February 2014, Government of India approved Delhi’s bid for World Heritage City. The main highlight of the programme was the musical drama “YE H DILLI HAI MERI”. The play portrayed Delhi as a magnificent city, which, with all its beauty, dynamism and contradictions is a place where the past co exists with the present, a city which has alluringly beckoned people from all parts of the world, a tough city which has withstood many foreign attacks. The play depicted Yamuna Aarti, the Mughal period and its rich grandeur, the freedom fighters who enabled us to savour the sweet nectar of freedom. The lively depiction of the different eras enthralled and enchanted everyone and connected the students to the bygone days.

The Principal of the school Ms. Sudha Acharya gave an enlightening speech on **Heritage** empowering students with substantial knowledge about the city Delhi, thus sowing the seeds of patriotism in students. The students were inspired to always nurture a profound respect for the architecture master pieces of the state and the country. In a nutshell the assembly struck the chords of patriotism and responsibility in young souls to act as true citizens of the country.
