

## **ITL HOSTS INTERNATIONAL CAREER COLLEGE AND COUNSELING (IC3) – FAIR AND SYMPOSIUM 2018**

**Date** : 31.08.2018  
**Venue** : ITL Public School  
**Organised By** : ITL Public School  
**Conducted By** : IC3

ITL Public School hosted the prestigious **INTERNATIONAL CAREER & COLLEGE COUNSELING (IC3) - FAIR AND SYMPOSIUM 2018** for the parents and students of **Classes XI and XII** in the School premises on **31<sup>st</sup> August, 2018**. Delegates and representatives of more than **60 Universities** from around the world participated in the Symposium giving concrete ideas to students on **Where to Study, What to Study and How to Make it Happen**. The session saw an overwhelming response wherein over **1200 students** attended the fair with their teachers from more than **20 schools** across South Delhi.

The event gave a potent opportunity to the students to interact with more than 60 representatives of different **Foreign and Indian** universities like **Bond University (Australia), Queen's University (Canada), Durham University(UK), Ashoka University India) etc.** The event gave an effective forum to the students to enquire about various courses the universities offer and to explore the opportunities that would help students shape their choices for higher education.

The students also gained substantial knowledge and understanding about college education as they attended **12 different tailor made workshops** on counselling. The topics taken up in such sessions were – **Course / College... Which is Important, Profile Building and Self Exploration for College Admission, Unexplored Careers, Careers in Communication and Management** to name a few.

Parents were also invited to be a part of Symposium so that they are equipped with consolidated knowledge to guide their children in the right direction

**The event**, with the goal of empowering the schools to run a robust, fully functional career, was highly successful. The fair brought together high school leaders and higher education representatives to support students at home and around the world
