

ITL Organizes Fund Raiser on Children's Day

A Fundraiser Carnival was organized at ITL Public School on 14 November, 2018 to make the Children's Day special and unique for the students. The meaningful celebration provided opportunities to students to experience enjoyment and also imbibe the valuable virtues of life.

The event featured stalls encompassing variety of games, eateries, activities and merchandise. The food stalls reflecting the culinary skill of the ITLeens made everyone ecstatic while the craft stalls presenting bookmarks, notebook covers, stoles and cards authenticated their aesthetic skill. A gamut of games like Pepsipong, dart games, spoon frog, mystery bowl etc thoroughly charmed and entertained the children. The stall by Partisandhi : a youth driven initiative sensitized students on sexual health. The posters and badges of Pratisandhi with thought provoking sayings served as an eye opener. An eye catching photo booth was set up where students captivated sweet memories of this gala day.

A live band and a DJ added a spirit of festivity to the event. Each stall received an overwhelming response from all .The total funds generated through the event will be donated to a nonprofit organization to support a splendid noble cause.

The School Principal Ms. Sudha Acharya highly appreciated the initiative and the impeccable way in which it had been organized. The event was a huge success as it highlighted the virtues of love, caring and sharing.
