Workshop II	: Classes VI- IX (Ms. Geetanjali Gautam)

Department of Science, ITL Public School consistently endeavors to create awareness among the students towards current global issues having a profound effect on our environment, thus inspiring them to take bold steps to initiate positive changes in the society.

The theme for this year's mega cleanliness drive was **E-Waste Management**.

In an attempt to harness new ideas of utilizing e-waste in an efficient manner workshops were organized for students to create awareness.

Workshop Series –

1. A workshop by **Dr Kalpana Bhargava**, Additional Director, DRDO was organized for the senior classes, where the resource person made students aware of actual current situation using quantitative data from India and around the world.
2. Another workshop was organized which was conducted by **Ms Geetanjali Gautam**, Dept. of Environment, Thermal Power Plant, Jhajhar for the junior students. The workshop aimed at creating awareness on the menace of E-Waste. The students were made aware about the various sources of e-waste and ways to reduce its production. The students were floated with ideas regarding proper recycling of e-waste.

Resource Person Dr. Kalpana Bhargava Explains The Hazards dumping E- waste

Resource Person Ms. Geetanjali Gautam Explains The Hazards Of E-Waste And Its Impact On Environment.
